**Helpful hint:** Contact the Pastor, who is preaching the sermon, prior to the Sunday you do the Children Sermon to find out what the theme of the sermon is and what the sermon scripture reading is. If possible, tie your sermon to theirs.

**Instructions:** If you plan to be out of town the Sunday you are assigned please call someone else on the list and swap Sundays with them. Please let the church secretary know the week before the service, so that the bulletin will be correct for Sunday. In case of a Sunday morning emergency, call the Pastor and leave word with him so that he can substitute at the spur of the moment.
