The City of Newport News is taking a community-based approach to understand the most pressing concerns around safety, the root causes of violence, and the effects of crime by releasing a Community Assessment Survey. The purpose of the initiative is to hear from residents and develop policies that enable city administration to implement new community-based programs and services that address gun violence in Newport News.

The survey is open to all Newport News residents and students through April 30th. Click the image above to access the survey or follow this link:

Don't forget to bring items to support THRIVE Peninsula's Food Pantry! Together with St. Andrew's, we have been able to make a big difference!

Most needed items are canned chicken, crackers, jelly, instant oatmeal, and ready meals (like hamburger or tuna helper).

Thank you for your ongoing support of this vital ministry!

Easter comes.
The shroud that covered
the world is destroyed;
for our God has swallowed death.
We shall no longer look
for him among the dead.
He calls to us to follow,
to believe in our hearts
that the people of this world
will someday love one another.

Really
Love one another.
If we believe, we know that
that is not a naive hope,
but God's promise.
We shall not die,
but we will live in him
who died for us.

On Easter morning
and on every morning,
let us in chorus sing:
"This is the day the Lord has made;
Let us rejoice and be glad in it!"
And then with Mary,
let us run to tell the others:
We have seen Jesus!"
