

*"Posterity shall serve him; it shall be told of the Lord to the coming generation; they shall come and proclaim his righteousness to a people yet unborn that he has done it."
Psalm 22:30-31

4 Generations: Nancy's mom is the babe in arms

We are still in Michigan at the moment. We have been helping my sisters as we work on getting mom's affairs and situation in order. Mom was hospitalized for a weekend after a fall because her resting heart rate was too high. We have tried three different care agencies and five different aides over the last 5 or 6 weeks.

Pray for guidance and definite peace regarding choices we are making. Once things seem to be more settled, we will look into returning to Chiapas.

English classes online continue and I have added more students to my current classes. My students are from various age groups and stages of life. Several have traumatic family situations. Pray for opportunities to share Jesus and for spiritual healing.

Unfortunately, we won't be able to help prepare to celebrate Christmas with our girls at the home in Comitán and only the Lord knows if we will be back in time for the party. Pray with me for the hearts of the girls and boys in the homes and that Jesus would be the reason for their Christmas joy.
